

Examination Success

A measure of our success is the excellent results our students achieve. 65% of students taking GCSE examinations in June 2008 were eligible to return to Sixth Form. Many of our students chose to stay with us and with new students joining Lower Sixth Form from other schools, our numbers in Sixth Form have swollen to 90. Examination success continued with our A' Level results. 100% of our Upper Sixth students received 2 grades A – E with everyone wishing to progress to university able to do so.

Top Achievers at GCSE, AS and A' Level.
